INTELLECTUAL PROPERTY RIG

We provide IP related legal services to individuals, corporations, institutes, hi technology industries and government entities. Our goal is to procure and protect Intellectual Property Rights for your business.

WE HELP YOU CREATE, PROTECT, GROW.

WHAT WE DO

MAK LAW is one of the best law firm in Dehradun, specialising in **Intellectual Property Laws**, Entertainment Laws and Family Laws. The firm strongly believes in maintaining strong relationships with its clients wherein it fosters the ideology of 'Legal insight. Business instinct'.

HOW WE DO IT

Law is complex. We simplify it for you. We pride ourselves in being sharp, effective and dedicated to our clients.

Our method is to combine honest promises with a result oriented approach. Client satisfation is ensured due to our clinical know how and survey of the global landscape.

WHAT IT COSTS

Understanding the constant cost pressures clients face, MAK LAW leverages its significant knowledge to cost-effectively manage the global portfolios of our clients. We ensure excellence while maintaining an acceptable cost to quality matrix in the region.

WHAT WE KNOW

It’s our passion to be on top of legal news, judgments and developments. We share what we know, because we believe that unshared knowledge is all in vain. Read our blog, articles and publications, share your comments and help us contribute to the discourse!
